GEORGIA'S GOVERNORS FIGHT FOR CONTROL

ATLANTA, Ga., Jan. 15 (UP)—Two governors in office only 20 feet apart fought for control of Georgia today.

Young Herman Talmadge, swept into office by the legislative majority loyal to his late father, Gene Talmadge, moved swiftly to align the state's armed forces behind him. But the incumbent, Ellis Arnall, was countering his every move.

Climaxing a turbulent 24 hours, punctuated by fist fights between partisans, Talmadge issued an order dissolving the state (home) guard headed by Col. R. W. Collins, an appointee of Gov. Arnall. Collins immediately defied Talmadge.

Arnall refused to vacate his office despite Talmadge's election by the legislature. He called the son and political heir of Eugene Talmadge a "pretender."

Young Talmadge tried to consolidate his own man, Marvin Friffin, as head of the Georgia National guard by appointing him to a new term as state adjutant general. Friffin had been Arnall's adjutant general but went over to his rival.

Talmadge said that with the national guard back from the war, the state guard had outlived its usefulness. He ordered its personnel to turn in their arms and consider themselves dismissed.

Arnall, who had submitted his resignation effective when the duly elected lieutenant governor, M. E. Thompson, was qualified to succeed him, was standing his

ground and also staying in his office. Herman set up shop in a small office 20 feet away which, like Arnall's was entered through the executive reception room in the state capitol.

Thompson is to be qualified formally tomorrow and it was considered possible that Arnall might immediately surrender his office to him and tell him it's "your fight."

CSF MEMBERS TOUR CAMPUS

Livermore Union high school's chapter of the California Scholarship federation sent 18 members to tour the San Jose State college campus yesterday from 10:30 to 2:30.

C. E. Rundstrom, of the high school faculty, was in charge of the tour which was sponsored by AWA.

The visitors observed the offices of the Dean of Men and Women, the Library, and the Science, Art, Journalism, Home Economics and Music departments.

Ford Slashes Price On All New Cars

DETROIT, Jan. 15 (UP)—The Ford Motor Co. tonight slashed prices on its passenger cars in a move it hoped would "halt the insane spiral of mounting costs and rising prices."

The company—announcing price cuts up to \$50 on some models—called on other companies to follow Ford in returning to "the principle that higher wages and higher standards of living for all depend upon lower costs and lower prices."

NOVICE BOXING?

ATLANTA, Ga., Jan. 15 (UP).

Today Herman Talmadge refused to give up the governor's office to a "pretender" as he called Ellis Arnall the incumbent.

The 33-year-old son of "Ole Gene" and his aides pleaded for calmness among their adherents but as they left the office fighting broke out in the ante-room behind them. In the main brawl, 300-pound Johnny Nahara, bodyguard of the elder Talmadge, badly mauled T. M. Buchanan, Arnall's chauffeur.

NINE BOUTS ON CARD, FIGHTS START AT 8

By PAUL VON HAFTEEN

Nine bouts and eight entertainment acts are slated for the final round of the 10th annual Novice Boxing Tournament to be held in the Civic auditorium tonight beginning at eight o'clock.

Amid the cheering and colorful throng of nearly 2500 fans the second round of the Novice Boxing tourney got underway. The first bout between Ray Davilla and Bill McDiarmid was a fast thrilling fight with McDiarmid the loser, making a desperate last minute rally to win but his opponent, Davilla won the first two rounds and copped the

decision.

The 190 pound fight between Pete Denevi and Don Scheaffer was a spectacular boxing duel which had the fans on their feet continuously even at the end when there was a slight mixup in the decision. Denevi won the close decision.

Fred Mangini who was to have fought the 12th bout was unable to do so as he was sent to the Health Cottage suffering a bad cold. He had won a match Tuesday night. He was unable to continue in the tourney.

Jules Menendez who fought Joey Barnum to a sensational draw the other night refereed the ninth bout between Bill Peach and Jim Mc-

LYCURGUS EDITOR WANTS STORIES

Margaret Moore, editor of Lycurgus, San Jose States humor magazine, today urged all interested students to contribute articles for the next issue by February 14. "The articles should concern some interesting feature of campus life," Miss Moore said.

Students who select events that will take place after the deadline date should contact Miss Moore and the date will be extended to cover the stories.

Miss Moore hopes that all students who are interested in submitting articles for the magazine will take advantage of this opportunity to submit a feature for the winter issue of Lycurgus.

VETS ATTENTION

There will be a list posted of those new entries and re-entries who have not filed their certificates of re-entry. This list will be place on the Vets' bulletin board across the hall from the president's office.

Band Makes Debut At Novice Final

The San Jose State college Pep band will make it's first appearance tonight at the Novice Boxing finals in the Men's gym. This group of forty musicians, organized this quarter to play for future athletic contests, will be heard at the St. Mary's-San Jose basketball game.

The band, under the direction of Don Whitehead, senior music major, will play popular marches and a few stunt numbers. Featured with the band will be Pauline Deardorff and Bob Reid who will perform in a special baton twirling number.

Mr. Forrest Baird organized this Pep band from members of the fall quarter marching band.

NOON RALLY FRIDAY IN FRONT QUAD

Songs, yells, noise and laughter, and possibly a snake dance will feature the pre-game rally Friday in the front quad. It will start promptly at 12:20.

Bob Reid and Don Titcomb of the Entertainment and Skit committee are in charge of the program, which will be entirely informal, with no planned numbers as there were last quarter.

Reid and Titcomb urge all students to wear their rooter's caps to the rally, white shirts and blouses to the USF game Friday night, and the St. Mary's game Saturday night in the civic auditorium.

Publicity for the games and rally is being handled by Arman Hanzad and Stan Bennett. They are being assisted by Betty Kinney, Betty Patterson, Joyce Woods, Winnie Bennett, Ruth Hansen, Walt Ludwig, Carole Nystrum, Bea Rule, and Al Raephelli.

STEVEDORES STOP WORK IN LONDON

LONDON, Jan. 15 (UP).—Seventeen thousand stevedores and bargemen stampeded off the London docks today, while striking truck drivers, who touched off Britain's worst labor crisis since the general strike of 1926, again refused their own leaders' pleas to go back to work.

The estimated total on strike in London and other cities was 67,000. All except 14,000 of these have quit work since Monday, when the government ordered troops to truck essential food supplies to retail stores.

Fourteen thousand are transport workers, mainly drivers, who struck nine days ago because the haulage section of the Central Wages Board, equivalent of the American Wartime War Labor Board, refused to give them a 44-hour week and a two-week paid vacation.

Today, the seven-man finance and general purpose committee of the Transport and General Workers Union met with 30 members of the central strike committee for six hours. The meeting was closed, but the main purpose was supposed to have been to decide whether the strikers would approve the formation of a joint council for the haulage industry.

FRESHMAN TRYOUTS

Freshman "tryouts" for five minute skits to be presented at the boxing tourney will be held at the meeting today at 11:30.

All of those interested please see Ray Bishop 10:30 this morning at the Morris Dalley auditorium.

FROSH CLASS PREPARE TO ELECT OFFICERS

Nomination petitions for freshman class officers have been turned in to the Dean of Men's office, according to Dean Paul Pitman, class adviser. The Student Court will determine the eligibility of the nominees and handle the election to be held Friday, January 24.

The regular meeting today at 11:30 will be a preview for the boxing tourney tonight.

"All freshmen should attend the tourney at the Civic whether or not they can come to the meeting," said Don LaFave, chairman.

"Wear white shirts, rooter's caps and bring your noisemakers," emphasizes Jimmy Johnson, yell leader. "The trophy will be awarded to the best appearing, most numerous, and noisiest group. It's a cinch for us if all of you turn out."

Three Die In New Plane Crash

WAKE FOREST, N. C., Jan. 15 (UP)—At least four persons were killed tonight when a "twin" engined plane crashed in a field about five miles west of here.

The bodies were not immediately identified. The plane burned after crashing.

Funeral home attendants here said four bodies were recovered from the wreckage but that they had not yet been brought to the mortuary.

The plane was reported to have crashed in a field behind a small rural store.

Authorities at Byrd airport in Richmond, Va., said a transport plane was overdue from the south and had been reported down in North Carolina. It was not immediately determined whether it was the plane that crashed near here.

DEBATING CLUB MEETS TODAY IN ROOM 29

Forensics club college debating group which reorganized, last quarter after an absence of four years, will meet today at 1 o'clock in room 29. Students interested in the activity are invited to attend whether or not they have had debating experience.

The eight students who displayed interest in the group last quarter will form the nucleus of the club which will participate in informal debate, problem solving, and original oratory, according to Wilbur Luick, faculty adviser. "We hope to appear before audiences, and eventually compete with forensics groups from other schools," states Mr. Luick.

SPARTAN SENATE

Two of the present group—Henry Leland, junior social science major, and Kenneth Fisher, senior education major—are members of Spartan Senate, honorary debate society which has been inactive since 1942. With Jean Grenbeaux, proposed new member, they plan to reinstate the Senate on campus.

PROGRAM

"College forensics clubs take as a year's project an issue pertaining to national thinking which can be worked out with two sides," explains Mr. Luick. Individual groups conduct research on the problem, and prepare debates and discussions concerned with it. This year's topic is, "Resolved that labor should have a direct share in management of industry."

Those who are unable to attend the meeting today should contact Leland, Fisher, or Grenbeaux. Mr. Luick's office is B5.

'Drop Portal Suit,' AFL President

WASHINGTON, Jan. 15 (UP).—AFL President William F. Green moved tonight to withdraw all AFL unions from the \$5,000,000,000 (b) court fight launched by the CIO to collect portal-to-portal pay claims running back to 1938.

Denouncing the court actions as "Untimely and unwarranted," Green recommended formally that all AFL affiliates get out of the courts and settle their portal claims on management over the bargaining table.

CAN YOU SPARE A DIME

The history of man's battle against the ravages of disease is a long one. In some cases it has been a successful one. Curiously, the vicious epidemics that once swept the populated areas of the world, wiping out whole communities, are seldom heard of now. The Black Plague that terrorized all of Europe during the Middle Ages, and the epidemics of small-pox that took their toll of humanity in the days of the French Revolution, have faded almost into obscurity. Due to the advancement of medical science, recurrence of such scourges has been held to a minimum.

In recent years a new enemy to man has appeared, poliomyelitis, infantile paralysis, about which little is known. This disease has not reached, and probably will not reach, the stage where it is prevalent enough to wipe out whole communities. Each year, however the list of victims tortured and crippled by poliomyelitis grows larger.

The March of Dimes is an annual drive for contributions to aid in finding the cause of and to give aid to those stricken by this disease. Last year, in this locality \$7000 were used for the treatment of cases.

This year Tau Delta Phi, honorary fraternity, and Arnacoma, women veterans organization, have volunteered to sponsor the "March of Dimes" on the campus. They have placed contribution boxes about the halls and offices in hopes that you will see fit to give some small sum to a cause working for the benefit of the world, the community, and YOU!

PEEK-A-BOOOO

From the amount of gumshoeing now taking place around Washington Square, we might naturally assume that a portion of the Student Body has been unduly effected by the number of cloak and dagger pictures that have been showing at the local movie palaces.

Added to the various and sundry investigating committees that arose out of the Gripe Dinner to straighten out affairs related to the Spartan Daily, the Library, and the Health Cottage, two more groups of super-snoopers are now active. One organization, supposedly operating secretly, is in the process of investigating the Journalism department. The other is watching the every move of the Student Council.

If ya have any secrets ya don't wanna let out, plug the keyhole, we got peepers.

Have you heard about the sensational Spartan Daily photographic contest yet? It's easy to enter. All you have to have is a student body card and be a non-professional photographer. There is still time for you photography fans to enter this contest which doesn't close until Feb. 14.

Five faculty members have been selected as judges, Dr. Marques Reitzel, Mr. Dwight Bentel, Mr. Lester Brubaker, Mr. George Stone, and Mr. Mel Wright.

Remember you can enter this contest in four different fields, landscape, color, and indoor, which can be either action or still life.

Rev. Bob James of the SCA has just returned from his extensive trip to the east where he attended several conferences.

Weekly bull sessions are held every Wednesday evening by the SCA at Rev. James house. Muriel Waltz founded the group last quarter and it has proved so successful that the SCA is continuing the series this quarter.

There will be a bull session sponsored by the SCA this Saturday between 2 and 9 o'clock at the Lion's Den.

AM YOU

As I was meandering from class to class,
 I started to wonder was I mule or ass.
 A mule—is he smart?
 He will pull a load with all his heart
 While an ass will eat the hay.
 But when the load gets heavy, he will kick and bray.

The load is so heavy while going to school
 I wonder if I am an ass or mule.
 A mule will work like a good student should
 But an-ass like me will be misunderstood.

Wac STATE GRADUATE TEACHES P.E. IN GERMANY

By JACK SILVEY

Sgt. Elva C. Ferguson, San Jose State college graduate now with the overseas occupation forces, has turned her attention from teaching high school English in San Francisco to teaching physical education in the Women's Army corps at Stuttgart, Germany.

Sgt. Ferguson received special training for her army assignment at a WAC athletic school in the European theater of occupation. She is attached to the Special Service division which is charged with the task of maintaining a high degree of morale among the occupation troops through active programs of entertainment and athletics. Prior to her present assignment, Sgt. Ferguson served with the WAC detachment of the 116th General Hospital, Nurnberg, Germany.

Under the army educational program, she has attended Nottingham University in England for one term where she studied German, political science and literary criticism. She also participated in army sponsored tours of Denmark, Switzerland, and Austria.

ALL THIS—AND MOTOR TOO

A small square of yellow paper on a campus bulletin board boasts a carefully lettered green ink ad listing "exceptional features" of a used car for sale.

Apparently realizing that no one takes the used car market for granted in these days of overworked autos, the student author of the ad was careful to place "motor," "non-leak top," and "hydraulic brakes" first on his list of exceptional features.

Francais 'LES JOUR'...CAST LACKS STAGE

By DALE BOWER

"Watch out there, you just walked through the wall!"

Members of the cast for the French play "Les Jour Heureux," literal translation, "The Happy Days," are having their difficulties. This word comes from director, Dr. Boris Gregory.

The show will be presented February 1 and 2 on the stage of the Montgomery theater in the Civic auditorium. The cast hasn't been able to rehearse on the stage, or any other.

The Little Theater is busy with "Ethan Frome" and every other group in the college is using the Morris Dailey.

With a cast that has had little or no experience "trodding the boards," this poses a problem. All action must be built around a set and stage that just isn't there.

This make the cast imaginers plus!

THRUST and PARRY

'Poor Prof. B.'

Dear T and P:

Well, gee kid, here we go again. Poor, poor Prof. B., he has been blinded by having the old sheepskin pulled o'er his eyes. Just because there are 1,500,000 students in college doesn't necessarily mean that they agree with the Academic alchemy. For sure, there are two that do not, i.e., M.M., an' me.

Comparing frosh with seniors was a horrible blunder. Generally speaking, the numerically superior frosh have a higher age level and more mature and settled than the seniors. Also the record of veterans in school would indicate that more than Prof. B.'s one-half will become alumni. Further, the use of the word "subsidies," in connection with veterans is somehow distasteful.

Also, as a big jolt to the learned prof. a sheepskin is not the magical dope sheet which will unlock the world of business and industry. Admittedly its a help, but plain gots and industriousness are the big items.

An' so, a closing arrow. If, as Prof. B. says, competition becomes too keen at home, the rest of the world awaits the college sophisticate. (Check that!) Personally, I've seen all of the rest of the world I desire to see, so I'll stay here, graduate, and maybe make some money in the next war. ASB 4708

The "whisket," a predecessor of the modern clothing slide fastener, was advertised in a French fashion magazine in 1888, and was recommended for men's "barndoor" trousers.

Judges chosen from the faculty include Dwight Bentel, Journalism department head; George Stone, Photography department head; Lester Brubaker, Photography department instructor; Mel Wright, Commerce and Advertising department; and Dr. Marques E. Reitzel, Art department head.

Following are the eligibility and contest rules:

Eligibility:

1. Student Body card holder at San Jose State college.
2. Non - professional photographer.

Rules governing the contest:

1. Contestant may submit as many photos as he or she wishes.
2. Photography will be limited to four types: (a) action, (b) indoor, action or still, (c) landscape, (d) color.
3. Name and ASB card number must accompany each entry. A box will be placed in the Spartan Daily office in which to deposit entry.
4. Judges from the faculty will judge entries.
5. The decisions of the judges will be final.
6. All photographs will be returned upon request.
7. Photographs submitted must not exceed 8x10 inches, and should be printed on glossy finish paper.
8. Contestants will print their name and other data on a slip of paper attached to the back of the photograph.
9. Deadline for all entries in the contest will be Friday, February 14. Pictures entered after that date will not be considered.

All contestants are urged to read the above rules carefully and to follow them closely. Because of the expected number of entries, contest officials and members of the Daily will exercise the greatest care in the handling of prints submitted.

The Spartan Daily is ready to accept entries for this contest.

JUST AMONG OURSELVES

By DR. T. W. MacQUARRIE

I don't know exactly how many were disqualified at the end of the fall quarter, but it was a horrible number, something more than two hundred—and we're not bragging about that.

Some of them just couldn't make it. They didn't have the background nor the capacity. Some were advised at the beginning that it was doubtful if they could make it, but they wanted to try; and that's one thing we do pretty generally, let them try.

Still, many of them did have the background, did have the ability. They were a baffling group. Several had college aptitudes over ninety, and many over sixty, but they didn't do the work. A good part of it was laziness, no doubt. They "followed wandering fires."

So they're out now, and, no doubt, still wandering, still wondering, still deep in the picture magazines and the funny strips, still kidding themselves with the radio, the movies and tons of escape literature.

A few of them might be rated unstable. Not bad, you know, still "able to conduct themselves and their affairs with ordinary prudence," as the old English law has it. They had the mentality, the health and the home support, but they couldn't make themselves concentrate beyond the point of convenience. Occasionally such people do settle down—we have seen that happen—but usually they don't. It's quite an effort, and effort is just what they can't make.

DONS OUT TO AVENGE LAST WEEK'S DEFEAT

Revenge will be the watchword when the University of San Francisco's Dons step out on the San Jose hardwood tomorrow night. The Dons will try and avenge the 44-34 defeat they suffered at the hands of the Spartans last week at Kezar Pavilion in the Bay City.

Their recent defeat by the Spartans did not daunt Coach Pete Newlee's boys for they bounced back Friday night with a 45-37 win over St. Mary's.

Abe Rodriguez and Ross Giudice, the classy pair of forwards that Newlee has in his starting lineup are capable of giving anyone trouble on a hot night. Anyone doubting this need only ask Nizs Price, chief of the Cal Bears' basketballers.

SPARTANS EAGER

Just to prove that their win last week was no mistake, the Spartan quintet will be out to do a repeat performance of last week's win. Coach Walt McPherson used only six men up until the closing minutes of play, the first five playing the whole first half without substitution.

The starting five (see lineups) in column four) and Bob Wuesthoff played fine ball and kept hustling all the time, taking advantage of the many mistakes committed by the Dons.

JAYVEES

Coach Bob Bronzan's junior varsity has a long weekend in sight, too. Like their varsity big brothers the JayVees play USF Friday and the St. Mary's Juniors Saturday evening in the Civic Auditorium preliminaries.

Coach Bronzan has advised that his probable starters will be Waterman and Montgomery at forwards, Marks at center, and Enzensperger and Persha at guards.

Committee Will Study WAA Setup

Organization of a Women's Athletic Association was furthered Monday when about 5 girls met to discuss the merits and disadvantages of such a group.

Members of the AWA and girls interested in the formation of a WAA group worked together at the meeting. A committee of eight made up of two members from each class was chosen to study the national WAA organization program and the formation of Women's Athletic Associations in other colleges. These girls will meet with a group committee representing the AWA.

At the present time the AWA is in charge of all activities of the college women.

GAELS PICKED TO OUTSCORE SPARTANS

Win, lose, or draw tomorrow night, Saturday evening the San Jose State college hoopsters face the win-hungry Gaels from St. Mary's in the San Jose Civic auditorium.

This will be the Spartans' first game on the Civic hardwoods and will attract the attention of many of the local populace.

St. Mary's had some tough luck against some crack eastern and midwestern teams in their recent

tour, and their crack men Bob Burke, team high scorer, Bob Livingston, six-foot-nine-inch center, and Fred Kudelka, former Borlo A.C. ace are capable of some neat ball handling.

The Gaels are favorites, but not by too big a margin.

"St. Mary's has a fine outfit," states Spartan mentor Walt McPherson, "and we are up against a tough foe. If we win it will be quite a feather in our caps."

In most of their previous games the Spartans have had the advantage of height over their opponents, but the giant Livingston is almost a sure bet to control the backboards.

SPINNERS ATTEND DANCE FESTIVAL

Folk dance fans will have the opportunity to enjoy an afternoon of dancing this Sunday when the California Folk Dance federation holds its monthly festival in San Francisco.

A bus has been chartered and anyone, whether interested in dancing or just watching the others, may go if signed up before Friday noon. The Spartan Spinners, college folk dance group, will take part in the festival.

Dancers will wear costumes native to the European countries. "With hundreds of costumed dancers sharing in the fun, the festivals are gay entertaining affairs," says Mrs. Sarah Wilson, Spartan Spinner adviser.

Participating in the festivals are groups of all ages and denominations. This month's festival is sponsored by the Scandinavian Folk Dancers from Mission Community Center. It will be held at Glen Park in San Francisco from 1 to 5 Sunday.

Pre-Legal Club

William Logan, sophomore social science major, has been elected president of the Pre-Legal club.

Other recently elected officers are Coleman Young, vice-president; Mary McFadden, secretary, and Marian Delp, treasurer.

The purpose of the organization is the enlightenment of pre-legal students in preparing for their legal education. Speakers representing the legal profession in San Jose and nearby law colleges will be present at meetings throughout the quarter.

The organization plans a dinner for members and guests to be held in the near future.

Mr. Owen Broyles of the Social Science department is adviser for the group.

Haggerty Speaks

Jan Haggerty, biology major, will speak at the next meeting of the Academic Scholars Tuesday at 7:30 in room 210 of the Library.

The organization is sponsored by the Phi Beta Kappa members of the faculty. For eligibility students must have completed 90 units with at least a "B" average and must be majoring in one of the academic subjects: English, mathematics, modern languages, natural science, social science, or psychology.

NEWMAN CLUB MEET

"All Catholic students on campus are invited to attend the Newman club meeting at 7:30 Thursday night in Newman Hall," announces Joe Moore, president of the organization.

Plans for the annual formal dance will be discussed and election of officers will be held in the near future.

Vesper Service Today

Four students will speak at today's Vesper service held at 4:30 in room L210. The service will be centered around some of the experiences of the Asilomar conference and the National Assembly at Urbana, Illinois.

Lucille Crosby and Frances Tuttle who attended the National Assembly will relate their experience after which Peg Howie and Mary Hamashi will close the service with a brief summary of their experiences at Asilomar.

Spartan Dies In Puerto Rico

Death of First Lieut. Henry E. Cortani, '45, on the island of Puerto Rico last November was reported to the college this month by his family.

Lt. Cortani, a biological science graduate, was with the 334th Troop Carrier Squadron at the time of his death November 6. His parents are Mr. and Mrs. Ned Vukosavich of Sunnyvale.

ART EXHIBIT TALK

Librarianship majors will hear Miss Maude Coleman of the Art department speak on "art exhibits in libraries" this afternoon at 4:30 in room 212 of the main library.

Tea will be served to the Bibliophiles at the end of the lecture.

Art Enrollment

Enrollment in the art department has reached a peak of 1833 students, a gain of 77 over those registered fall quarter.

According to Dr. Marques Reitzel, art department head, this is the greatest number of students ever enrolled in art courses. He attributes this to the fact that many majors in Home Economics, Industrial Arts, Journalism and other departments are now minor-ing in art for their own interest or benefit.

"The students are well distributed in the courses," states Dr. Reitzel, "and as a result, each class is well filled."

"We are looking forward to an even larger enrollment in the spring."

GPS Initiates

Gamma Phi Sigma, social fraternity, initiated eight new members at Lou's Village Monday night.

Those who took part in the formal initiation were George Welch, Ralph Klindt, Bo Smith, Tom MacFadyen, Roy Wilkins, Ed Everett, Hank Imsen, and Jim Wilson.

Thirteen members of Gamma Phi spent last week-end skiing at Yosemite Lodge.

Loudon Is Prexy

Edwin Loudon was elected president of the newly revived Pan American League at their meeting Tuesday night. Josephine Mayayo is vice-president; Jo Ann Smith, secretary; Nancy Grant, treasurer; Marycharlotte Tavares, publicity chairman, and Meda Aden, program chairman.

Mrs. Mildred Winters of the Social Science department is the faculty advisor for the group.

According to Loudon, the League is an international organization with headquarters in Miami, Florida and is dedicated to the promotion of pan Americanism.

An installation dinner for the new officers will be held Thursday, January 23.

Seismographs Record Earthquake

Undated (U. P.)—

An earthquake scaling from "destructive" to "feeble" intensity was recorded Wednesday morning on three widely separated seismographs in the Pacific-west Coast area.

One seismologist believed the epicenter was in Mexico.

At Pasadena, Calif., the California Institute of Technology earthquake recorder registered a tremor of "destructive magnitude" at 10:30:15 a. m. PST. Its center was approximately 700 miles distant but no direction was given by Caltech scientists.

The seismograph at the University of California at Berkeley, Calif., recorded a tremor of "moderate intensity" at 10:31:26 a. m. (PST) about 1000 miles distant.

In Honolulu, the coast and geodetic cylinder showed only a trace of a tremor. So feeble was the recording that seismologists did not bother to trace its direction.

GRIFE COMMITTEE

A meeting of the Gripe dinner Spartan Daily committee will be held at 421 South 11th street at 1:30 Sunday afternoon. This committee was appointed by the Student Council to look into the matter of improving the Spartan Daily.

Members of the committee are Frank Hearne, John Keith Pope, Bob Meade, Virgil "Speed" Young, and Sal Millan. Marijane Call is the committee head.

Juniors Plan Post-Game Dance

The Women's gym will be the scene of the first in a series of after-game dances Saturday night. Following the St. Mary's game the junior class sponsors their first basketball dance. Lasting from 10 to 1 the dance will be open to all ASB members and their guests.

Meredith Hughes, dance chairman, states that cokes will be sold by the junior class at the dance. Admission will be 35 cents apiece or 50 cents for couples.

SKI CLUB HEADS FOR BIG SNOWS

The recently formed Ski club of San Jose State college will hold its first foray into the big snows this week-end when the group will hold team tryouts at Yosemite Valley's Badger Pass. Snow conditions have been reported good, with an average depth of 40 inches in some spots.

The newly elected team captain, Herbert Blatt, said that the members will leave by car late Friday night and early Saturday morning. "We have good prospects of a successful season," stated John Daegling, one of the members. "There are excellent possibilities that we can enter the team in competition with other schools around California, including Fresno State college."

Members of the club who are making the trip and trying out for the team include Bob Page, Wallace Johnson, Dick Robinson, Wayne Hawkins, Gil Erb, John Daegling, and team captain Herbert Blatt.

Coach Dewitt Portal and Bill Bolich are shown admiring the trophy which is to be awarded to the winning coach tonight after the boxing tourney. Bill is a former Pacific Coast 155 lb. championship title holder and a national champion contender. Bolich won this trophy three times in a row while he attended State a few years ago. This is but one of the few trophies to be given tonight.

SPARTANS AND BRUINS

NINE BOUTS AT CIVIC AUD TONITE

(Continued from Page 1)

Donald. The fourth bout between Pat Alvarez and Al Perez was a very close fight until Alvarez injured his foot and the bout was called in the third round.

Roy Rolan and Mike Rivera fought another thrilling duel with Rolan flooring his opponent in the second round for a nine count. Rolan took all three rounds. Ian Bragga and Sandy Beach fought an interesting 145 lb. contest with Bragga outboxing his taller opponent all the way.

In the other boxing matches Bob Merritt, George Miskulin, Pete Franusich, and Homer Dale outclassed and outboxed their opponents in what proved to be very close boxing contests.

The boxing contests were much better and faster last night than they were on Tuesday as the lads who survived the first round had more confidence and were obviously less nervous than in their first contests.

The SGOs and Allenians lead with 12 points. The APO-Sapphos and the Theta Mus are tied for second with 10 points each. The Frosh are in third place with nine. Other teams and their scores are as follows: Music dept.-DSG and Beta Sigma Chi 6, BCS-KKS 6, Gamma Phi 4, and the Tau Deltas and Epsilon Mu Gamma 1.

A committee of five men have been selected to pick tonight's best rooting team and the best five minute show. They are Tiny Hartranft, Bud Winter, Lloyd Winter, Les Leicester, and Mr. Henry of the Psychology department.

BASEBALL TEAM CONTINUES ITS PREP SESSIONS

Under a warm January sun, Coach Walt McPherson's battery-men continued limbering up work yesterday afternoon. The crew that opened practice Monday were present yesterday at the third meeting to continue working out those winter kinks.

OTHERS WORK

Some infielders were present at the workout and were working out with the same fire and enthusiasm that has been present at the workouts of the battery-men.

"Pepper games" were started later on in the afternoon and on-lookers were treated to some fancy ball handling by participants. The pitchers were throwing nothing but straight balls as it is still very early in the year for the hurlers to start breaking any fancy pitches.

PRACTICE GAMES

With the break that McPherson is receiving from the weather man, his pitching staff should be off to a fine start when practice starts in February. Some practice games will probably be scheduled before the conference opens in March. McPherson is lining up games with bay area schools, and dates will be announced later.

Practice will continue today with the second crew being on hand to unlimber their arms. Some infielders and outfielders will probably be present again doing some throwing and participating in "pepper games."

STATE MATMEN MEET UCLA IN LOCAL GYM TONIGHT SJ FAVORED

Coach Ted Mumby's San Jose State college Spartan varsity Wrestling squad opens its first post-war wrestling season this evening at 6:30 o'clock in the Men's gym against the unpredictable University of California Bruins of Los Angeles.

The Bruins are bringing a 16-man squad here to face Coach Mumby's Varsity matmen. They are making their first appearance here tonight in the Bay area.

These bouts will probably last for an hour and a half and they should be over by eight o'clock just in time for the Novice Boxing

Tourney which begins at that time in the Civic auditorium.

There will be a small charge of admission. As this article goes to press, the charge is not known.

Four men will handle the referee assignments during the torrid three day week-end of wrestling. The first will be C. M. Jack Ritchie, who is a former 112-lb. National AAU champ. The second man will be Dr. M. A. Northrup, who is a three time National AAU winner and a runnerup last year.

John Thure, who is a physical education director of the Oakland YMCA and a former Big Nine champ, will officiate some of the matches. Then comes San Jose State's own Martin Olivani, who is a former Far Western champion.

Members of the squad who are likely to see action tonight include: Bill Rothwell, 121; Carl Holmberg, 218; Tom Payne, 136; Ralph Payne, 145; Will "Butch" Drew, 155; Ray Miser, 165; Hans Weidenhofer or Pat Felice, 175; and Heavyweight Keith Wilson.
